

You have been Booed!

**The Phantom Ghost has come to town,
To leave goodies you have found.
To protect your house through Halloween night,
You must continue this ghostly plight.**

**First, post this ghost where it can be seen
And leave it there till Halloween.
This will scare other visiting ghosts away.
Be sure to participate, don't delay.**

**Second, make two treats basket in your own style.
Include two ghosts and two notes in the pile.
Deliver it to two neighbors that might have been missed.
Don't let them see you, be sneaky, no doubt...
(And make sure they put their Booed Ghosts out!)****

**You will have only one day to act, so be quick!
Leave it at the doors where the ghost has not hit!
Deliver it at dark when there is no light...
Ring the doorbell and run, and stay out of sight!!!**

**And last but not least, enjoy the season.
Don't worry, be happy for all the right reasons.
Be cool, have fun and remember, don't be seen!
Share the Spirit of Halloween!!**

***** Attach ghost sign to front door right away to keep other ghosts away.**
